LIMITED PUBLIC COMMENT

Judge Wanda Stokes stated that she wanted to take the opportunity to introduce herself to the Board of Commissioners. She further stated that she wanted to express her honor and absolute privilege for being able to serve the County.

Judge Stokes stated that she had spoken to several of the Commissioners individually, but never the Board of Commissioners as a whole. She further stated that she had spent a few days reviewing her docket and speaking with Clerk Byrum, and that she felt the transition would be very fluid.

Judge Stokes stated that often when someone entered a new phase of their career, they might be a little nervous and want to do a good job. She further stated that the staff at the County would make the transition very easy.

Judge Stokes stated that she felt privileged to be able to serve the Board of Commissioners, as well as all present. She further stated that she could be counted on to do everything she could to get the docket up to speed,

and that Judge Garcia and others had done a great job handling things in the time since the last judge’s retirement.

Judge Stokes stated that she was thankful for the opportunity to serve, and was looking forward to a great 2019.

Rudy Reyes, Ingham County resident, stated that there was a place where you could go, be famous, and have the opportunity of a lifetime. He further stated that there were places you could live, and dreams you could dream there.

Mr. Reyes stated that there were people in that place that believed in you, and that you could be anyone you wanted to be there. He further stated that the place was called the United States of America.

Mr. Reyes stated that here, all people were given a chance, and that the families of everyone present came here to be a part of this great country. He further stated that some of us wanted to close the door behind us, but that we should give those people the same chance we have received.

Mr. Reyes stated that there was no cure for cancer and other diseases, and that maybe someone coming to the United States from somewhere else would be the one to find it. He further stated that some schools did not get funding.

Mr. Reyes stated that as a young student in the Lansing Public Schools, he had been given an inaccurate math textbook. He further stated that he learned to doubt when he was instructed to use the textbook anyway.

Mr. Reyes stated that the Board of Commissioners may not have a choice on what happened with immigration, but that they had money, and knew the politicians who would decide. He further stated that the people immigrating to the United States should be given a chance, like the Commissioners’ families once were.

ADDITIONS TO THE AGENDA

Clerk Byrum stated that Board rules state resolutions would ordinarily be referred to a committee unless there was a 2/3 vote to allow the resolution to be considered by the Board immediately.

Commissioner Morgan moved that all resolutions on the agenda be considered immediately. Commissioner Schafer supported the motion.

The motion to allow the resolutions to be considered immediately carried unanimously.

He further stated that under the procedure, the Board would group some non-controversial resolutions together and vote on them in one motion without discussion.

Chairperson Crenshaw stated that the Board kept out of the consent agenda resolutions that required a roll call vote, resolutions that needed discussion, and resolutions that provided important information. He further stated that the Board’s procedures stated that any single member of the Board could identify specific resolutions to be discussed and voted on separately.

Commissioner Naeyaert moved to adopt a consent agenda consisting of all action items. Commissioner Schafer supported the motion.

Commissioner Sebolt stated that several of the bargaining units affected by resolutions on the consent agenda were members or affiliates of his employer. He further stated that he wanted to disclose this before the vote.
